

Chief William Kramer
Cinnaminson Fire Department
1621 Riverton Road
Cinnaminson, N.J. 08077

4 December 2017

Dear Chief Kramer and the Cinnaminson Fire Department Staff,

Once again the Scott Family thanks you, your staff and all involved for your continued support and generous donation to the Rebecca A. "Becky" Scott Paramedic Science Scholarship Fund.

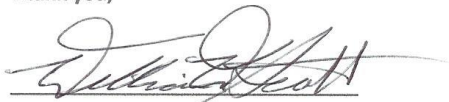

Participating in the "Paint the Town Pink" fundraising events, supporting the scholarship as well as Virtua's Tyanna Barre O'Brien Breast Care Comfort Fund, was a great pleasure for my family. We had Fun being involved in these activities and we plan to be actively involved in the future.

Last spring we awarded one \$500 scholarship to a worthy paramedic science student at the Rowan College at BCC. Recently we awarded two additional \$500 scholarships to paramedic RCBC students.

Once again we extend special thanks to your firefighter Lt. Jim Clancy, Jr. and Administrator Jean Dietrick. Jim is a real powerhouse of energy and dedication to breast cancer awareness and Jean's devotion to these causes is outstanding. All of your staff is exemplary in their kindness and friendliness and we are proud to know them.

I know that Becky is smiling down from above. She is seeing the fruits of her career dedication have not gone unnoticed, that she is an example to future paramedics and that her friendships have lead to a scholarship program assisting individuals devoting their lives to helping others.

Thank you,

William W. Scott
