Dear Chief Kramer and Cinnaminson Fire Department Staff,

The Scott Family would like to thank you and your staff for your generous donation to the Rebecca A. "Becky" Scott Paramedic Scholarship Fund.

The "Paint Cinnaminson Pink" benefit campaign your department hosted for Breast Cancer Awareness Month to support the scholarship in honor of our loved one, Paramedic and EMT Becky Scott and the Virtua Breast Care Comfort Fund, was a truly great success.

Your department's donation is going towards a very worthy and honorable cause assisting aspiring paramedics and EMT's with their educational financial needs. Our family, via the Rowan at BCC Foundation, is sponsoring, hosting and perpetuating this scholarship. We awarded five \$500 Scholarships in 2015 to paramedics in training at Rowan at BCC. We will be meeting soon to award scholarships for the upcoming 2016 spring semester at Rowan at BCC.

We would like to make a special thanks to Firefighter Jim Clancy, Jr. and Administrator Jean Dietrick for their efforts and support.

You cannot imagine the pride we have in our Becky Scott. We never imagined the many lives she touched in her short time with us. She was a special young woman and a dedicated paramedic and EMT that others can truly emulate. She is missed by many every day.

Thank you,

William W. Scott
