

Chief William Kramer
Cinnaminson Fire Department
1621 Riverton Road
Cinnaminson, N.J. 08077

10 April 2019

Dear Chief Kramer and the Cinnaminson Fire Department Staff,

The Scott Family thanks you, your staff and all involved for once again supporting and donating \$6,000 to the Rebecca A. "Becky" Scott Paramedic Science Scholarship Fund.

Participating in the "Paint the Town Pink" fundraising events, supporting the scholarship as well as Virtua's Tyanna Barre O'Brien Breast Care Comfort Fund, was a great pleasure for my family. We again had fun being involved in these activities and we plan to be actively involved in the future.

Recently we awarded \$1,500 in scholarship money to worthy paramedic science students at the Rowan College at BCC and will be again in September.

Once again we extend a special thanks to Lt. Jim Clancy, Jr. and Administrator Jean Dietrick. The tally keeps going up on this highly successful event. It seems the sky is the limit. All of your staff is exemplary in their kindness and support and we are proud to know them.

Still to this day whenever I mention Becky's name to area firefighters, EMT's and Paramedics; they remember her. Even the new hires have been told about her. She still makes her father and family proud. She has left quite a legacy.

Thank you,

William W. Scott
